# CONTENTS OF VOL. I.

## NUMBER I.

ART. I. Annual Address delivered before the Medical Society of the State of New-York, Feb. 6, 1828. By T. ROMEYN BECK, M.D. President of the Society, - - - - - - - - 9

ART. II. Observations on Apoplexy and Hydrocephalus. By JOHN R. RHINELANDER, M.D. - - - - - - - - 34

ART. III. On the Nature of the Compounds usually denominated Chlorides of Soda, Lime, &c. With Remarks on their Uses as Disinfecting Agents. By LEWIS C. BECK, M.D. - - - 47

ART. IV. On the Uvularia grandiflora, as a remedy for the bite of the Rattlesnake. By J. G. TRACY, Esq. of Albany, - - 65

ART. V. Cases of Compound Fracture of the Elbow-joint successfully treated without Amputation. By ALEX. H. STEVENS, M.D. 68

ART. VI. Case of Nyctalopia. By JOHN WATTS, jun. M.D. - 71

ART VII. A Case of Protracted Indigestion, simulating other diseases, and finally cured by the Oxide of Bismuth. By DANIEL L. M. PEIXOTTO, M.D. of New-York, - - - - - 73

ART. VIII. Cases in Morbid Anatomy.—Case 1. Disease of the Stomach, Pancreas, and Liver. By HENRY SCHENCK, M.D. of Lebanon, Penn.—Case 2. Disease of the Uterus. By JOHN W. GLONINGER, M.D. of Lebanon, Penn. - - - - - 78

ART. IX. Effects of Venesection in Abdominal Dropsy, supervening on a suppression of the Catamenia. By ROBERT BAYARD, M.D. of Nova Scotia. Communicated by Dr. WATTS, - - 81

ART. X. Case of Amputation at the Elbow-joint successfully performed. By J. KEARNEY RODGERS, M.D. - - - - 85

ART. XI. Remarks on Sudden Death, contained in a letter to the Editors of the New-York Medical and Physical Journal. By Dr. XAVIER TESSIER, of Quebec, - - - - - - 87

### REVIEW.

ART. I. A Synopsis of the Diseases of the Eye, and their Treatment; to which are prefixed a short Anatomical Description, and

a Sketch of the Physiology of that Organ. By BENJAMIN TRAVERS, F.R.S. Surgeon to St. Thomas's Hospital. With Notes and Additions, by EDWARD DELAFIELD, M.D. - - - 94
ART. II. First Report of the Committee of the Philadelphia Medical Society on Quack Medicines, - - - - - - - 107
Art. III. Annals of the Lyceum of Natural History of New-York. Vol. I. 1825. Vol. II. 1828. - - - - - - - 115

QUARTERLY HISTORY OF IMPROVEMENTS IN MEDICINE AND SURGERY.

FOREIGN—Chyle observed in the Veins of the Jejunum—Distribution of nerves in muscular fibres—Pores of the Skin—On the reproduction of the Crystaline Lens—Cerebro-Spinal Fluid—Epilepsy—Curious species of Cerebral Hæmorrhage—Laryngitis—Fatal Œdema of the Glottis—On the treatment of Acute Rheumatism by tight bandaging—On the treatment of Inflammation of the Tongue—Employment of Iodine in the treatment of Cynanche Parotidæa—On the means of ascertaining the purity of Sulphate of Quina—Feigned Diseases—Bromine—Cultivation of Horse Radish in Denmark—Object of Embalming in Egypt—Rate of Sickness in the British Army—Effects of the Conscription in France, - - - - - - - - 127—150

UNIVERSITY REGISTER, - - - - - - - - 150—162

INTELLIGENCE—State Medical Society—New-York Hospital, 162

QUARTERLY BIBLIOGRAPHICAL NOTICES, - - - - - - 164

OBITUARY—Samuel Borrowe, M.D. - - - - - - - 165

NOTICES—To Readers and Correspondents, - - - - 166

## NUMBER II.

ART. I. A Lecture on Medical Philosophy, delivered in the College of Physicians and Surgeons, on Monday the 6th of Nov. 1827. By J. AUGUSTINE SMITH, M.D. Professor of Anatomy and Physiology in the University of the State of New-York, - - 167
ART. II. An Account of some of the Lunatic Asylums in the United States. By T. ROMEYN BECK, M.D. Professor of Medical Jurisprudence in the University of the State of New-York, - - 186
ART. III. On the Effects of respiring Cool Air in Pulmonary Diseases, in a letter to D.L.M.Peixotto,M.D. By CHAS.DRAKE, M.D. 199
ART. IV. Description of a new Stop-cock for Gum-elastic Hydrocele Bags, and for the Stomach-pump. By ALEXANDER H. STEVENS, M.D. - - - - - - - - - - 215

ART. V. A Dissertation on the Uniform Action of the Absorbents. By the late CORNELIUS E. DE PUY, M.D. of New-York, - - 218
ART. VI. Quarterly Report of Diseases treated at the New-York City Dispensary, to the 15th July, 1828. By JOHN J. GRAVES, M.D. 241
ART. VII. Case of Tetanus successfully treated. By GEORGE REIDENAUR, M.D. of Lebanon, Penn. - - - - - - 248
ART. VIII. Cases illustrating the Effects of Ergot in Menorrhagia. By JOHN B. MISH, M.D. of Lebanon, Penn. - - - - 249
ART. IX. Supplement to the account of some of the Lunatic Asylums of the United States. By. T. ROMEYN BECK, M.D. - 251

REVIEW.

ART. I. Pathological Anatomy. The last course of Xavier Bichat, from an autographic manuscript of P. A. Béclard; with an account of the life and writings of Bichat. By E. G. Boisseau, Member of the Royal Academies of Medicine of Paris and Madrid, of the Medical Society of Emulation, &c. Translated from the French by JOSEPH TOGNO, Student of Medicine, - - - - 255
2. Manual of Pathology, containing the symptoms, diagnosis, and morbid characters of diseases; together with an exposition of the different methods of examination, applicable to the affections of the head, chest, and abdomen. By L. Martinet, D.M.P. Translated, with notes and additions. By JONAS QUAIN, A. B. - 255
ART. II. A Treatise on Retention of Urine, caused by strictures of the Urethra; and of the means by which obstructions of this canal may be effectually removed. By Theodore Du Camp, Doctor of Medicine of Paris, &c. Translated from the French, with Notes and Additions. By WILLIAM M. HERBERT, M.D. - - - 273
ART. III. On the Atomic Theory of Chemistry. By JOHN FINCH, M.C.S. 2. Electro-magnetism; being an arrangement of the principal facts hitherto discovered in that science. By JACOB Green, M. D. - - - - - - - - - 284

QUARTERLY HISTORY OF IMPROVEMENTS IN MEDICINE AND SURGERY.

FOREIGN—On Cutaneous Absorption—A Case of the Foramen Ovale remaining open in the Adult, with a general Narrowing of the Aorta and Arteries, without the Morbus Cyanosus—Treatment of Tetanus—On the Treatment of Intermittent Fever by the application of Sulphate of Kina to the Skin—On the use of Tannin as a Remedy for Menorrhagia—Tartar Emetic as used by Laennec in Peripneumony—Sir H. Halford on Tic Douloureux—Imputation of Poisoning—Period of Parturition in Women—Case of Death caused by the external application of Opium—

Cases of poisoning with Belladonna—Solanic Acid—Purification of alcohol—On the caseous oxide and cosaic acid of Proust—On testing the presence of Ammonia in a substance—Extra-uterine pregnancy, terminating in the discharge of the fœtus piece-meal by the anus—Case of Double Uterus, with Double Impregnation—Rates of Sickness—Quackery—The Plague, - - 289—310

University Register, - - - - - - - 309—318

Quarterly Bibliographical Notices, - - - - - 321

Obituary—Wright Post, M.D. - - - - - - 324

## NUMBER III.

Art. I. An Essay on Neuralgia. By John Gorrie, M.D. of Abbeville, South Carolina, - - - - - - - - 325

Art. II. Cases of Strangulated Hernia. By John W. Sterling, M.D. Fellow of the Royal College of Surgeons, London, - - 343

Art. III. A Case of Pseudo Syphilis. By James Fountain, M.D. 348

Art. IV. Case of Rupture of the Uterus, in which Gastrotomy was performed. By Edward Delafield, M.D. Professor of Obstetrics in the University of the State of New-York, - - 351

Art. V. Report of Meteorological Observations made in the City of New-York, from May 1st, 1827, to May 1st, 1828. By John Baxter, M.D. &c. Secretary of the Committee, - - - 354

Art. VI. An Essay on Milk-sickness. By Lunsford Pitts Yandell, M.D. of Murfreesborough, Tennessee, - - - - 361

Art. VII. Case of Bronchocele successfully treated by Iodine. By Thomas Cock, M.D. of New-York, - - - - - 373

Aht. VIII. An Account of the Dengue Fever, or late epidemic of the West Indies. By Richard Tuite, M.D. of New-York, 375

Art. IX. An Account of the Origin of the Law, "to incorporate Medical Societies for the purpose of regulating the Practice of Physic and Surgery in this State," passed 4th April, 1806. By John Stearns, M.D. of New-York, - - - - - 380

### REVIEW.

Art. I. A Compendious System of Midwifery, chiefly designed to facilitate the inquiries of those who may be pursuing this branch of study. By William P. Dewees, M.D. - - - - 385

Art. II. Medical Flora; or Manual of the Medical Botany of the United States of North America. By C. S. Rafinesque, A.M. PH.D. &c. Vol. I. - - - - - - - - 389

ART. III. American Medical Biography; or Memoirs of eminent Physicians who have flourished in America. To which is prefixed a succinct History of Medical Science in the United States, from the first settlement of the country. By JAMES THACHER, M.D. 404

ART. IV. Fragmens de Medecine Pratique, lus a la Société de Medecine et la l'Athénée de Medecine de Paris. Par F. O. DOUCET, Docteur in Medecine, &c. &c. - - - - - - - 416

ART. V. 1. Tables in Illustration of the Theory of Definite Proportionals. By WILLIAM THOMAS BRANDE, F.R.S. - - - 422

2. A New System of Chemical Philosophy. Part First of Vol. 2. By JOHN DALTON, F.R.S. &c. - - - - - - - 423

### BIOGRAPHY.

ART. I. An Eulogium on the late Wright Post, M.D. By J. AUGUSTINE SMITH, M.D. - - - - - - - - - 428

ART. II. Notice of the late William Handy, M.D. of New-York, 440

### QUARTERLY HISTORY OF IMPROVEMENTS IN MEDICINE AND SURGERY.

FOREIGN—An Account of a new method of embalming and of preserving Subjects for Dissection—Cold Injection for Anatomical Preparations—On the Mechanism of the Act of Vomiting—Instance of Obliteration of the Aorta opposite the Fourth Dorsal Vertebra —Open Foramen Ovale in the Adult—Case of Hydrophobia treated with Superacetate of Lead—On Diseases of the Spleen —On Mollescence (Morbid Softening) of the Uterus—On the agency of Carbonic Acid in the decomposition of Water by the contact of Iron—Employment of Iodine and Bromine as tests of the Vegetable Alkalies, - - - - - - - - 441—461

QUARTERLY BIBLIOGRAPHICAL NOTICES, - - - - 461—463

INTELLIGENCE, - - - - - - - - - - 463—466

## NUMBER IV.

ART. I. Lecture delivered before the County Medical Society of New-York. By F. O. DOUCET, M. D. of New-York, - - 469

ART. II. Contributions in Medical Jurisprudence and Police. No 5. By T. ROMEYN BECK, M.D. - - - - - - - - 49

ART. III. Report of the Select Committee appointed by the House of Commons to inquire into the manner of obtaining Subjects for Dissection in the Schools of Anatomy, and into the State of the Law affecting the Persons employed in obtaining or dissecting Bodies, - - - - - - - - - - 501

ART. IV. Case of Poisoning by Laudanum, in which the Stomach Pump was successfully used. By CHAS. A. LEE, M.D. New-York, 518
ART. V. A Case of anomalous Intermittent Fever. By CHARLES McKNIGHT SMITH, M.D. of New-Jersey, - - - - 520
ART. VI. New Mode of detaching the Placenta in Cases of Partial Adhesion and Hemorrhage. By F. O. DOUCET, M.D. New-York, 522
ART. VII. History of a Case illustrating the Effects of a cold climate in Pulmonary Consumption. By Dr. X. TESSIER, Quebec, 523
ART. VIII. On the Treatment of Diseases of the Respiratory Organs. Translated from the French of Begin's Therapeutics. By Dr. XAVIER TESSIER, of Quebec, - - - - - - 525
ART. IX. Case of Poisoning by Sulphuric Acid. By JAMES STEWART, M.D. of New-York, - - - - - - - 563

REVIEW.

ART. I. Memoirs of the American Academy of Arts and Sciences. 4 Vols. 4to. - - - - - - - - - - 566
ART. II. Compendium of operative Midwifery; or the manual and instrumental operations of preternatural labours reduced to the greatest simplicity; preceded by an investigation of the mechanism of natural labour. From the French of Julius Hatin, Doctor of the Medical Faculty of Paris, &c. By RICH. TUITE, M.D. formerly Pres. of the Royal Physical Society of Edinburgh, &c. 581

QUARTERLY HISTORY OF IMPROVEMENTS IN MEDICINE AND SURGERY.

FOREIGN—Single Vision and Union of the Optic Nerves—On the predominance of the right Arm over the left—Physiological Memoir on the Cerebro-Spinal Fluid—Case of Rupture of the Stomach produced by Vomiting—Case of extirpation of the Uterus —Bitter of Aloes; Carbonic Acid—Anhydrous Chrystals of Sulphate of Soda—On the influence of the Air in determining the crystallization of saline solutions—An account of the formation of the Alcoates, definite compounds of salts and alcohol analogous to the hydrates, - - - - - - - - 585—693
DOMESTIC—Laurence on the beneficial effects of the Medicated Vapour Bath, - - - - - - - - - - - 603
UNIVERSITY REGISTER, - - - - - - - - - 605
QUARTERLY BIBLIOGRAPHICAL NOTICES, - - - - - - 613
NOTICES, - - - - - - - - - - - - - 614
